

A Digital Choice Food Pantry Package was given in your honor.

An estimated 1.4 million New York City residents rely on emergency food programs, including soup kitchens and food pantries, each year. But those programs offer a specific set of food and often do not cater to special diets – ranging from specific food limitations to keeping kosher – which can make it especially challenging for those with dietary restrictions to afford the food they need. Your gift can help enable people to select from the Digital Choice Food Pantry, a new, innovative option that empowers individuals and families to choose the most nutritious, balanced, and appropriate groceries based on their specific needs.
