

A Holocaust Survivor "Coffeehouse" experience package was given in your honor.

There are approximately 36,000 Holocaust survivors living in New York, 40% in poverty. Today, the youngest survivors are in their mid-70s and 80s. Many are looking for a way to fill their days with meaning. Your gift can provide transportation, lunch, and live music so a lonely Holocaust survivor can dance at a European-style "Coffeehouse."

UJA-Federation of New York cares for Jews everywhere and New Yorkers of all backgrounds, responds to crises close to home and far away, and shapes our Jewish future.
